HOW DOES IT WORK?

- You fill out my questionnaire
- I respond with proposal ideas
- You choose the idea you like the best
- We start working together on the idea/location in details
- Once you are ready to proceed with the reservation, I send you a confirmation email
- We meet on the day of the proposal
- ... and we celebrate the YES!

WHERE DO I WORK?

○
2024

Anywhere in Italy.

I cover the most requested cities and regions such as Rome, Florence, Portofino, Amalfi Coast, Lake Garda, Lake Como, Tuscany, Puglia, Sicily

If you are visiting different cities when in Italy, I will be happy to send you ideas for each location so you can choose the option that suites you the best.

WHAT IS THE COST?

2024

There is no flat fee for my services.

The value depends on many aspects of the planning. I can provide you a cost that starts from a specific price but that can be modified due to period of the year, photographer/videographer you are going to choose, additional services such as a musician, flower decoration, transport services, dinner requests, etc.

I'M READY!

2024

If you are ready to get in touch with me, please respond to my questions. You can be as specific as you want. If you want to skip some questions you can do that, too. No worries.

More I know about you, the better assistance I can provide.
